Summary: A sweet poem about Cloud's love for Aeris; this was not written by me. This poem represents my fanfic, Love Never Dies.

Green Is the Color of My Hope

Body **Note: **I did NOT write this poem, it was written by Post Rapture. However, he is allowing me to use it as a representation for my first fanfic, Love Never Dies.

Green Is the Color of My Hope

When she left me

I didn't know

Whether to cry

Or let my anger glow

Or to hail wrath

Upon those who hath

Brought such death to past

Was I in love?

Or was I not

Was my truest enemy Sephiroth?

Or was it time

That played me a pantomime

And silenced my heart
Before I could take part
By her side
With her hand in mine
With her emerald eyes
So shining
Bright
And kind
Why was I so blind?
To think that such a
Fragile dove
Could last forever
Like the stars above?
One day
She prayed
And the next moment
She went away
It took a sword to sever her mind
It took a curse to melt her heart
But it took her death
To drag us apart
And now I bumble
Through a land, dry of all
That's humble
And graceful
That's pretty
And lovable
And without her
My mind is gray
And I cry a little more

Each passing day
I look to God
Wondering if
I can again elope
With her soul's eyes
Resurrected
And dancing beneath the sky
Till then
I balance at the end of my hope
Visiting her grave
Knowing
Green is the color of my hope

End
file.
